**Important Dates.**

*June 8, 2015*
Submissions due (for every type of submission: full research papers, posters, doctoral consortium research papers).

*July 6, 2015*
Notification of acceptance for all submissions.

*July 20, 2015*
Camera Ready Paper Submission.

*September 17-20, 2015*
Conference in Kavala, Greece.

**Tutorials.**
We invite proposals for tutorials to be held in conjunction with the conference. Proposals should be submitted electronically by *June 1, 2015* to the scientific committee chairs. Tutorial proposals will be reviewed by the tutorials committee. A summary of the tutorial will be published in the conference proceedings.

**Conference Secretariat.**
e-mail: haiicta2015@gmail.com
website: 2015.haicta.gr

**Conference Chairs.**
Michail Salampasis, Alexander Technological Educational Institute of Thessaloniki, Greece
Christos Batzios, President of HAICTA, Aristotle University of Thessaloniki, Greece

**Organising Committee Chairs.**
Vagis Samathrakis, President of HAICTA’s Branch of Northern & Central Greece, Alexander Technological Educational Institute of Thessaloniki, Greece
Alexandros Theodoridis, Aristotle University of Thessaloniki, Greece

**Program Chairs.**
Dionysis Bochtis, Aarhus University, Denmark
Zacharoula Andreopoulou, Aristotle University of Thessaloniki, Greece

**Doctoral Consortium Chairs.**
Thoms Bournaris, Aristotle University of Thessaloniki, Greece
Pavlos Delias, Eastern Macedonia and Thrace Institute of Technology, Greece

**HAICTA 2015**
7th International Conference on Information and Communication Technologies in Agriculture, Food and Environment

**September 17-20, 2015,**
Kavala, Greece

2015.haicta.gr

HAICTA 2015 aims to bring together professionals, experts and researchers working on Information and Communication Technologies in Agriculture, Food and Environment.
We are accepting submissions of original research papers and posters for the main program and the doctoral consortium in all areas of ICT in Agriculture, Food and Environment including (but not limited to):

- Decision Support Systems
- Information Systems
- Database Systems
- Environmental Modeling and Simulation
- Environmental Control Systems
- Environmental Impact Assessment
- E-waste Management & Clean Technologies
- Environmental Design & Policy
- Issues in ICT Adoption
- New Technologies in Ecosystems Management, Forestry and Natural Resources
- Information Systems and Wild Life Management & Protection
- Wood Technology & Wood Products
- Flora and Fauna Management using ICT
- ICT in Climate Change and Global Warming
- ICT in Cultivation and Pastoral Areas
- ICT in Rural Development
- Innovative Technologies in Agrotourism & Ecotourism

E-business, E-commerce, E-government, E-learning and E-services
- GIS and Applications
- Spatial Analysis & Landscape Planning
- Internet Marketing, Internet of Things and Web 2.0
- Mobile/wireless Systems & Networks
- Ontology and Web Semantic
- Sensor and Wireless Network Applications
- Mobile/Wireless Applications in Agriculture
- Novel RFID applications
- Precision Farming Systems, VR Technologies
- Green IC Technologies
- Traceability
- Supply Chain Management & Logistics
- Environmental Education

All accepted papers and posters (including doctoral consortium) will be published in the HAICTA 2015 conference proceedings. Furthermore, selected papers will be published in special issues of the following scientific journals:

- International Journal of Sustainable Agricultural Management and Informatics
- International Journal of Agricultural and Environmental Information Systems
- Information Processing in Agriculture
- Journal of Agricultural Engineering and Biotechnology
- International Journal of Electronic Marketing and Retailing

The conference is organized by the Hellenic Association for Information and Communication Technologies in Agriculture Food and Environment (HAICTA) with the support of its Branch in Northern and Central Greece.

Co-Organized in cooperation with a number of associated Institutions.
